

News 3 Term 3  
24 August 2023

# North Parmelia Now

*Together we will be DARING and ROBUST learners.*

## Principal Address

It is week 6 already and there have been many exciting activities and wonderful learning opportunities occurring across the school. Congratulations to our choir who had an incredible performance at the RAC Arena last Friday night. They performed with 7600 students from across Western Australia to a crowd of nearly 9000. Their performance was magical and we are proud of the behaviour, their engagement and the enthusiasm they brought to this performance. Well done!

## PBS

This term we had our first PBS badges handed out with recognition of individual students who consistently show one of our FRED values (Friendliness, Respect, Excellence and Determination). It takes a lot of effort to earn one of these badges so a big congratulations to the students proudly wearing these on their school hat. Last week each block earned their first block reward of an icy pole! This needed 8000 points combined in the junior school with 10000 points from our seniors. This is a mammoth effort and we can't wait to see who is able to earn the next reward of extra play!

Congratulations to Anton Lakeman who won the school competition to design our FRED mascot's jersey. Students, community members and staff were able to vote and Anton will enjoy a lovely lunch to acknowledge his design. He was able to integrate the school colours, FRED values and logo onto his jersey and did a wonderful job. Congratulations!

Our previous PBS focus was to respect others and their property. The current PBS focus is on Solving Problems Positively. Room 6 recorded a fantastic video which all classes have watched which showed how we can solve problems positively in the playground. Remember to always use your words to ask politely and then approach a duty teacher if needed to support in solving the problem. Well done Room 6 for being fantastic role models of our current focus!

## Standing Against Violence

The Department of Education has recently released Connect and Respect, a suite of resources to assist school communities in setting shared and respectful expectations to enable us to continue to work together in the best interests of our children. This includes when and how to contact the school, what you can expect from us and the behaviours that interfere with teaching and learning. These resources and guidelines will assist us to continue to build upon our culture of connection and engagement, and we will implement them to support our staff to deliver quality education at our school. Each newsletter will share a different focus from this document.

We would like to acknowledge the traditional custodians of this land and waters of Australia and the Torres Strait. We respect all Aboriginal and Torres Strait people - their customs and their beliefs. We also pay our respects to elders past and present with particular acknowledgement to the Whadjuk people of the Noongar nation, the traditional owners of the land that our school is built upon.
