News 2 Term 2
6 June 2024

Together we will be **DARING** and **ROBUST** learners.

Dear Parents and Caregivers

What a busy term we are having!

Over the past four weeks, students and staff have been involved in several exciting events that have provided rich learning opportunities. Our junior school enjoyed Izzy Gizmo's Schools performance at the Perth Town Hall, which was a fun and engaging show for Pre-primary to Year 3 classes.

Room 8 and 9 WASO Incursion

Room 8 and 9 were fortunate to work with Paul Rissmann in a soundscape workshop. Our students were engaged and had a fantastic learning experience, thank you to the team at WASO for making this possible.

Cross Country

On Friday we had a wonderful Cross Country event. Thank you to Mr Tang and all staff for helping to make this day run so smoothly. Our students were modelling their FRED values throughout the day and it was wonderful to see the support and encouragement from all involved.

We would like to acknowledge the traditional custodians of this land and waters of Australia and the Torres Strait. We respect all Aboriginal and Torres Strait people - their customs and their beliefs. We also pay our respects to elders past and present with particular acknowledgement to the Whadjuk people of the Noongar nation, the traditional owners of the land that our school is built upon.

North Parmelia Primary School – Strategic Plan and Parent Feedback session

We are in the beginning of our new Strategic Plan cycle. I will be running a parent feedback and information session on the final document on Monday 17 June at 2pm. Please join us in the Library at this time for a chat and some tea with biscuits as we would appreciate parent feedback.

School Parking

A friendly reminder for parents to please ensure they are parking in the correct area before and after school. Please avoid parking in the bus bay or staff carpark as this has caused challenges at pick-up time daily and we are concerned for student safety.

Voluntary Contributions

Thank you to the families who have paid for their Spelling Mastery books, as these are being used across the school. We appreciate those who have paid their voluntary contributions. These fees make a difference to our school community as they go directly towards resources for your child in the classroom. To say thank you to those who have paid these fees, we will have prizes at the next assembly with a raffle draw. There is still time to pay before then!

Recycling Right

NPPS recycles several products to reduce landfill and earn money for the school.

Room 15 recycles paper and co-mingled items weekly. A small band of students recycle Containers for Change, money collected going to the P and C to help with school requirements.

The staff also recycle printer cartridges and white board markers.

Along with recycling we have an ongoing composting crew that helps to reduce waste to landfill by composting fruit and vegetable scraps. The beautiful compost formed goes back into the school gardens, especially the Bouquet Garden that provides flowers for special school and community events.

NPPS doing their bit for a better environment.

Fire Visit

On Tuesday 7th May, Room 1 & 2 had a visit from the firefighters. First, the firefighters told us about fire safety and some rules. After that, they introduced themselves. Then, one of them put on a suit and showed us a demonstration. After the demonstration, we went to the oval. At the oval, Room 1 looked at the big truck. We saw six compartments of the big truck with equipment inside and we got to go inside the cab. After we got out of the cab, Rooms 1 & 2 swapped trucks. Room 1 got to look at the small truck. We got to hold the hose. Someone almost sprayed water at the boss. Finally, they gave us stickers and left the school with their siren turned on. We were all excited. **Written by Room 1 students.**

On Tuesday the 7th May Room 2 and I went on a fire incursion. We went to the Parmelia Centre to talk about the safety things and the not safe things. Then we went on the top oval and we got to sit in the fire truck. We looked at the equipment and we sprayed the hose. I was happy. **Sophia M. Room 2**

On Tuesday the 7th May, Room 2 and I went on a fire incursion in the Parmelia Centre. We lined up with Room 1. We had a safety talk with the fire fighter. We went to the top oval and there was two fire trucks. Room 1 got the big one and we got the small one. My classmates were lining up and so did I we have the hose and spray it. We swap the fire truck with Room 1. We look at the equipment. When we were done we sat in the fire truck. When we were all done with Room 1 we got a sticker and we went to lunch. **Shamara F.
